## **Founder's Message**

I am delighted that you are considering pursuing higher studies at universal college of pharmacy. Going to the institution is an exceptional chapter of your life and it will change your life forever. The beginning of a journey.....often we close our minds and with predefined notions and ideas. I believe the best way to teach is by learning yourself.

Personally, I am also a firm believer that the Future of Our Nation lies in education. It is our foremost duty to groom the youth and channelize their energy for the nation's growth. The path of this Institute is the outcome of careful planning and meticulous execution. It is definite to reach higher levels of teaching, learning, research, innovation, incubation, and entrepreneurship. This stride to churn the youths to a valuable citizen.
